

Recreational Therapist (CTRS)**Summit Oaks Hospital, Summit, NJ (Part Time)**

Summit Oaks Hospital, a private acute care psychiatric hospital and chemical dependency treatment center serving adults, children, and adolescents, is seeking an experienced Recreation Therapist to work in a per diem capacity.

Work days will include Fridays, Saturdays and Sundays - based on patient census.

Responsibilities include planning and implementing recreational activities for the assigned program. This involves defining and implementing treatment goals as a member of the interdisciplinary treatment team and providing continuous patient care, observation, interaction and role modeling to patients.

Requirements: Recreational Therapist (Per Diem)

Bachelor's Degree and/or Master's Degree (preferred) from an accredited college or university in Recreation, CTRS, and the ability to teach the following groups: exercise, basketball, anger management, stress management, communication, leisure awareness, relaxation, coping and addictions education. Knowledge of psychiatric patient care techniques and an understanding of mental illness is preferred.

Apply: Forward resume with cover letter to HR Director, Summit Oaks Hospital, 19 Prospect Street, Summit, NJ 07902;
or fax: 908-277-9040.
